UNIVERSITY TASK FORCE

Charge to task force:

Examine the current CRR 20.010 (General Organization) and explore the various System models to bring about further conversation with stakeholders, leadership and the full Board resulting in a collaborative direction moving forward, and amendments to the CRR, if necessary.

- Led by Curator Darryl Chatman, Task Force Chair
- April 3: Next meeting of task force
- April 12-13: Discuss task force findings during Board of Curators meeting

UNIVERSITY TASK FORCE

Questions for University Task Force

1. What is the role of UM System with the campuses? And, what is the role of the campuses with one another?
2. What decisions need to be made at the system and/or campus level?
3. How do we get decisions made on a timely basis (less campus/system red tape)?
4. When is shared governance applicable?
5. Who breaks ties when there is a standoff between campuses?
6. How does the System drive change, innovation and collaboration?
7. How can the System:
 - (a) improve efficiencies in shared services;
 - (b) eliminate existing silos and duplication; and
 - (c) maintain academic excellence as we eliminate/add programs and incorporate distance learning?
