Dear Stephen and Daniel:

In accordance with authority granted by the Board of Curators under the provisions of Section 20.020 of the Collected Rules and Regulations, effective August 1, 2019, President Mun Choi has delegated authority to me to execute contracts, and other instruments and agreements (“Board Instruments”) on behalf of The Curators of the University of Missouri (except those specifically excluded by the Board rules) pertaining to:

- A) Externally sponsored programs at Missouri S&T;
- B) Intellectual property owned by The Curators of the University of Missouri and which was authored or invented by faculty, staff or students of Missouri S&T; and
- C) Academic related agreements at Missouri S&T.

In accordance with Section 70.010C of the Collected Rules and Regulations, effective August 1, 2019, I hereby delegate authority to you to execute, on behalf of The Curators of the University of Missouri, the following Board Instruments pertaining to item D noted above. Interim Provost Roberts will have primary responsibility and Associate Provost Forciniti will serve as an alternate signatory to provide an expeditious handling of documents.

- 2) Memorandum of Understanding (MOU) – academic cooperation agreements.

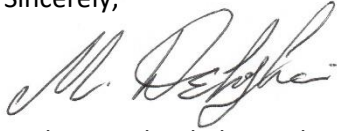

Except for the execution of unmodified University Standard Form Contracts, which have already been approved as to legal form, the aforementioned delegation of authority does not eliminate the necessity of having the above-described Board Instruments approved as to legal form by the Office of the General Counsel prior to execution.
