

## POLICY MEMORANDUM

No. III-47

### Holiday Trees and Greenery

This policy is instituted as a safety requirement of the Missouri University of Science and Technology campus. Only artificial holiday trees and greenery shall be used for decoration in University buildings due to the flammability of natural trees.

**EFFECTIVE DATE:** Immediately

**RESPONSIBILITY:** Provost and Vice Chancellors

**BASIS:** Chancellor upon the recommendation of the Environmental Health and Safety Department

John F. Carney III  
Chancellor
